Turned down by a tur - nip, kicked by a rab - bit's leg; — I've

pickled from pickled her - ring; stewed from an oys - ter stew, — I ate so darn much  
listened to the sto - ry the dumb waiter had to tell — I was assaulted by a

chicken I can cock-a doo-dle - do, — From crack-ers I'm good and cracked, got  
bag of salt; found cel - ry was a cell, — Got nutty from eat-ing grape-nuts, from

froze from frosted cake, — I was shook up something ter - ri - ble from drinking a milk shake,  
blue points I feel blue, — I was whipp'd so bad - ly from whipp'd cream that I am black and blue,

## REFRAIN- finish.

And when I'm bent and short of coin in oth-er words I'm broke, — I go and make a

raise by putt-ing all my beans in soak — Found chin - a in the pan - try,

grease was in the soup; — Had a mix-up with straw-ber-ry jam, and then I flew the coop.
